Partner Portal

Accessing the FLPPS Partner Portal
What is the Partner Portal?

• The Partner Portal is a secured-access website for FLPPS contracted Partner organizations.

• Within the Portal, Partners can access essential information posted by the FLPPS Team to support DSRIP implementation.

• Access to the Portal is limited to Primary and Reporting contacts, as well as individuals reporting Patient Engagement numbers.

• Each contact is given a unique login/password.

Malicious activity or misuse will terminate authorization to use the site.
How do I get into the Partner Portal?
Getting into the Portal

To get to the Portal login page use the link emailed to you, by the FLPPS IT Team, which also contains your unique login credentials (user ID and Password).

Be sure to have your unique login credentials available.

- Unique credentials were emailed to each of your organization’s Primary and Reporting contacts.
- If you do not know your login credentials, please contact info@flpps.org. You will need to provide the name of your organization, your email and telephone number.

To easily return to the log-in page, it is suggested you “Bookmark” the page using the Bookmark function in your web browser.
Partner Portal Log-in Page

1) Enter your FLPPS-provided Login ID
2) Enter your FLPPS-provided Password
3) If you forgot your password, use this link to reset it

NOTE: If you use Office 365 for any other personal or professional purposes, pre-existing login information will not provide access to the FLPPS Partner Portal.
Navigating the Partner Portal?

• Once logged in, more information about the Portal features and navigation can be found on the Main page, under the Resources and Presentations.
